Greenway Women's Group

SERVICE PROGRAMME January 2021

'Greenway Women's Group exists to provide positive opportunities for women to achieve their potential, through recognising and respecting them as individuals. We achieve this by breaking down the barriers which prevent women's full participation in society; specifically targeting social need within Cregagh and the wider community.'

Greenway
Sessional Day Care

Greenway Sessional Day Care provides top quality childcare for pre-school children.

Greenway Sessional Day Care is operated by eight childcare workers.

Greenway Childcare Staff are fully vetted by social services and trained in Childcare & Education, Child Protection, First Aid and Health and Hygiene.

Childcare Staff regularly take part in further training in childcare-related courses to ensure that we continue to offer the best standards to your child at all times.

For further details on any aspect of Childcare at Greenway please contact Childcare Manager, Joanne Leetch:
T: 028 9079 9912

E: childcare@greenwaywomenscentre.org

Please note: as we are a registered Sessional Day Care and not full day care there are some restrictions on the length of time your child can attend the Sessional Day Care in one day. These restrictions are kept to two two-hour sessions. Therefore, the maximum length of time your child can attend the Sessional Day Care in one day is a total of four hours.
