*Welcome to the April 2021 edition of the Greenway Newsletter*

### Easter Holiday

**Greenway Women's Centre will be closed for the Easter break from Monday 5 April to Friday 9 April (inclusive).**

**All Greenway services, including Childcare provision, Family Support, Zoom Classes and online services will be unavailable during this week.**

**Services will resume on Monday 12 April.**

### **Greenway Women's Centre Services Update**

From Monday 12 April we hope to recommence our face to face services at Greenway Women's Centre. Childcare provision for service users attending classes is also planned to recommence from this date.

When we resume these services we must remain alert to the risk that Covid-19 (Coronavirus) continues to present within our community. At Greenway Women's Centre we provide a wide range of services for many different groups and in order to minimise the risk of spreading Covid-19 (Coronavirus) and to protect everyone at Greenway as much as possible we ask all service users to follow the extra health and safety measures we have in place within the Centre. Social distancing measures, hand sanitisation and wearing of face coverings/masks will be required onsite. These are measures most of us will already be familiar with and they are clearly signposted throughout the building.

In addition to these measures Greenway Women's Group also have enhanced cleaning protocols in place for all communal areas, classrooms and offices, including hourly disinfecting of all handles, doors, light switches and other frequently touched surfaces.

We would like to thank all our service users for their continued support and we look forward to welcoming you all back to Greenway Women's Centre. We know that by working together we can each play our part to help keep everyone as safe as possible.

**Thank you for your support.**

## Greenway Women's Centre Covid-19 (Coronavirus) Health & Safety Procedures

We ask everyone attending Greenway Women's Centre to observe the following Health and Safety procedures we have in place to minimise the risk of spreading Covid-19 (Coronavirus):

\*\*\*

When you arrive at Greenway Women's Centre please ring the buzzer for admittance. Please remain outside until Reception buzz you in. This will help us to limit the number of people in the Reception area at any one time. In the event of a queue outside the building please observe social distancing and do not obstruct the public footpath.

\*\*\*

Please wear a face covering/mask inside the Greenway building.

\*\*\*

Please use the hand sanitiser provided at Reception.

\*\*\*

Your temperature will be checked before you proceed into the building. (A high temperature is usually considered to be 38C or above.) If your temperature is normal you will be signed in and you should proceed directly to your classroom. Please maintain social distancing throughout the building.

To help with this please keep to the left in communal areas, such as stairs and corridors.

Where possible there are markings on the floor to guide you.

\*\*\*

The lift remains available for all Centre Users, however to facilitate social distancing there is a maximum limit of 2 persons on board at any one time.

\*\*\*

Hand sanitation stations have been set up outside every classroom.

Please ensure that you use hand sanitiser before entering and when leaving the room.

\*\*\*

Please observe the social distancing regulations that are in place in your classroom.

To comply with government guidelines classrooms are limited to groups of 6 service users maximum (including the tutor if applicable) and each room has been carefully set up to accommodate this.

Please do not move furniture or remove social distancing markings.

\*\*\*

The Kitchen and Drop In Counter are currently 'staff-only' areas.

Tea and coffee orders will be taken at the beginning of each day by a staff member or designated volunteer and delivered to you in your classroom.

(Please Note: Food and liquids such as tea and coffee are not permitted to be consumed at the computers in the IT Suite, so please use the table in the centre of the room at break times.)

\*\*\*

Toilet facilities are fully accessible to all Centre Users, however to allow for social distancing some stalls have been temporarily closed. Please maintain social distancing when entering/leaving the facilities and remember to wash your hands thoroughly.

\*\*\*

Before leaving the building please remember to get signed out and use the hand sanitiser provided.

\*\*\*

*Please be mindful that there may be service users, staff or volunteers within Greenway Women's Centre who are particularly vulnerable to infection.*

All Health & Safety measures are clearly signposted throughout the Greenway building and have been designed to protect everyone at Greenway Women's Centre by minimising the risk of spreading Covid-19 (Coronavirus).
