Greenway Women's Centre Update

In light of the recent NI Executive statement, it is with regret we have had to postpone our Enrolment Week and commencement of face to face classes until further notice. We anticipate that this postponement of face to face services will be lifted on or around the half term break (15 February), but as things are changing once again at a rapid pace we ask that you continue to check our Facebook page and website for updates.

If you require childcare and are attending a class:

We will once again commence our online support and classes as we did back in the previous lockdown. From Monday 11 January the Training Officer will be facilitating the Women's Empowerment class from 10am-11.30am Mondays, Tuesdays and Wednesdays via Zoom. An additional Zoom class will be facilitated Mondays, Tuesdays and Wednesdays for the Maternal Mental Health class, from 11.45am-1pm. The Training Officer will be in touch directly with the course participants who are already booked into these classes from last term.

Please Note: You may only bring your child to day care on the days that these classes are taking place and you must attend the Zoom session in order to qualify for this childcare.

No other additional childcare days will be available.

At the moment we have not had any confirmation from any outside facilitator of when or if they intend to run their class online. If we receive any further information we will pass this on immediately.

If you require childcare and do not attend a class:

With the NI Executive issuing the clear Stay at Home message, we are asking parents to consider the risks of sending your child to day care unless it is really necessary. We are currently following advice that childcare should remain open and is currently not restricted to Key Workers and vulnerable children only, as it was back in Spring, however we feel that it is important that parents/carers have as much information as possible to make an informed decision on whether or not to access the day care.

Please Note: Parents will not be charged for the days that they chose not to send their children.

(Please contact Joanne Leetch, Childcare Manager for any queries relating to childcare.)

Due to high levels of Covid-19 (Coronavirus) in the community the NI Executive has issued a strict Stay at Home message which is now written in law. We therefore ask our service users to take extra care when considering reasons for leaving their home.

As before, we will continue to provide Family Support and advice Monday to Friday and our virtual services such as Wellbeing videos and Natter Matters sessions will continue online.
